THE LAW GETS BUSY.

Those Who Have Not Paid Personal Tax Will Now Be Forced to Pay.

A list of one hundred delinquent personal taxpayers, among whom are a number of the town's well-known citizens, has been prepared and will be given to the prosecuting attorney today (Monday) to take such action as is deemed advisable. The names have been taken at random from the several hundred remaining upon the list for 1911 who have neglected up to the present time to comply with the law. Approximately 75 per cent. have already paid their tax.

Arrested for After-Dinner Row.
Sunday, a little after the dinner hour, the attention of the police was called to a fight in the boarding house on Main street opposite police headquarters.

Quinlan had tried to start something after the Sunday dinner and imagining that he could clean up the house started in by pounding John J. Lynch. Quinlan then left the boarding house and wandered down to the Stone row section, where chief E. H. Richmond found and arrested him at 3:30 o'clock. He was looked up and charged with indecent exposure. Quinlan will be arraigned in police court this morning. Witnesses have been ordered to appear also.

DIVORCED AT RENO.
John T. Hurley Freed by Court from Georgianna Hurley of Willimantic.

The following news item is of local interest:

Reno, Nev., Dec. 18.—John F. Hurley of Willimantic, Conn., was granted an absolute divorce today from his wife, Georgianna Hurley of Willimantic. Evidence in the nature of paid bills satisfied the court that he had contributed to the support of his family before and since his residence in Reno. The case was heard and decided on conditions on the plaintiff.

John F. Hurley is well known in this city where he was engaged in the moving picture business for some time and later conducted a restaurant on Main street. He went to Reno a number of months ago and has since resided there.

BARN BURNED.
Property of Hampton Man Destroyed by Fire Possibly Set by Tramp.

Saturday morning fire broke out at 5 o'clock in the barn of John Vibolo at Howard Valley, Hampton, and destroyed the building and its contents, including a horse, 40 hens, a quantity of hay and farming tools.

The fire was discovered by Deputy Sheriff John H. Pitts from his home about a mile and a half distant. He called up a number of the neighbors by telephone and as a result about a score of men were rounded up and by hard fighting were able to save the house from being destroyed. The house adjoined the barn and was badly scorched on that side. It is understood the barn was covered by insurance. The origin of the fire is unknown, although it is thought it might have been accidentally set by a tramp.

Spent Less to Be Elected.
Other returns of expenses incident to the recent city election have been filed with the town clerk as follows:

Alderman Daniel B. O'Connor, who was re-elected alderman in the Third ward, contributed \$15 to the democratic city committee. Alderman Charles M. Hubbard, re-elected an alderman at large, contributed \$10 to the same committee, and David P. Ahern, who

was elected alderman from the First ward, also contributed \$10 to the democratic city committee. From the various reports already filed it is apparent that considerably less money was contributed toward this election than has been the case in previous city elections.

Interested in Spur Track at Mansfield.
Civil Engineer Robert E. Mitchell has been receiving calls from contractors who desired to see the plans and specifications for the proposed spur track to be constructed.

The track is to be almost a mile long, and while the first cost will be considerable it will be more than evened up by the saving in the hauling of materials and freight in the construction of the colony buildings and by a lasting benefit.
